Absent: Ron Augustine

New Application(s):

Kelly Nelson: Shaved Ice. \$20 fee collected*

Kelly has been before PC before and has been waiting for the proposed new food vendor policy. PC let him know a board meeting would happen on the 22nd and a determination would hopefully be made then. PC discussed his toppings for the shaved ice and advised him he would need to make the syrups/toppings. PC will call Kelly after the 22nd board meeting and let him know if new food vendors will be approved. He will then come to the first PC meeting in August to demonstrate his toppings.

PC Recommendation: N/A at this time

Kimberly Evans: Food – pork and chicken “sliders” with choice of 6 homemade sauces, served with homemade coleslaw and beans. \$20 fee collected*

Kim set up her food vending cart completely, handed out her list of recipes and prepared sliders, tropical coleslaw, beans and made one sauce at PC (at request of PC). She will also offer a dessert called “Stuffed Key Lime Strawberries” which she made on site and Key Lime flavored Ice Tea.

PC Recommendation: Unanimous approval of all food items, disapprove the Key Lime Iced Tea as it is already on the pier. Kim signed the proposed food vendor waiver, PC informed her we were waiting for 22nd board meeting and would call her after that board meeting. Linda McCall will be her mentor.
