

Performers Committee Meeting

Monday, July 20, 2015 5:30 p.m. Mallory Square

Members present: Liz, Jeep, Dale, Bible Bill and Reid

Performers present: Shel, Dave Vizard, Kevin, and Diana

We discussed the possibility of lowering the fees for the months of August and September to \$10 per night. This was brought up at a previous board meeting as something that may be helpful, not only to the current performers and artists, but also may encourage newcomers to the event that may be hesitant to come to Mallory in these sometimes lean months.

Along those same lines, it was also suggested that perhaps we have any new performers pay an initial fee of \$10 a night for the first 60 to 90 days, as a trial period. These performers would first be approved by the Performers Committee. It would also apply to any existing performers who may want to change their act from a small act in a \$5 spot to a large one, in order to see if it will work for them without any great monetary loss.

It was also mentioned that Mustapha's music has been loud recently, and would like him to lower his sound.

Regarding the set up for performers working the plaza and pier, we discussed pros and cons of the current set-up...with one show per performer on the plaza, (with the exception of one) and then doing a second show on the pier, as opposed to plaza performers remaining there after their first show. Dale and Shel do not want performers on the plaza moving to the pier; Liz, Jeep, and others thought it was fine as it is.

Meeting was adjourned at 5:50 p.m.
